Attorney at Law

Mr. Bertolino:

The Petito and Schmidt family are demanding that you remove Gabby Petito's picture from your Yelp page. That web page is <https://www.yelp.com/biz/bertolino-steven-p-pe-east-islip>. The family tried to remove their daughter's picture from your page and were informed that only the business owner can add or remove pictures.

Furthermore, the Petito and Schmidt family demand that you cease and desist posting pictures of Gabby Petito to any and all of your social media pages, web pages or advertisements in an effort to gain business. I am sure this will be taken care of by 2pm or I will take further action on behalf of Gabby's family.

Sincerely,

Richard Benson Stafford, Esq.
